

Cogmedix hires Lianne Coppinger as Director of Compliance and Regulatory Affairs

WORCESTER, MA.--(BUSINESS WIRE)—JUNE 9, 2008 – Cogmedix, Inc, the wholly-owned Medical Device Contract Manufacturing subsidiary of Coghlin Companies Inc., announced today that it has hired Ms. Lianne Coppinger as Director of Compliance and Regulatory Affairs.

“We are pleased to have Lianne join the Cogmedix team”, said John O’Brien, Vice-President of Cogmedix. “Lianne’s familiarity with 21 CFR Part 820 and her experience within the regulated Medical Device market are valuable capabilities. Hiring Lianne is a demonstration of our commitment to providing best-in-class, compliant contract manufacturing services to our Medical Device customers”.

Prior to joining Cogmedix, Ms. Coppinger was Quality Assurance Manager for the Cardiac Care division of Philips Medical Systems where she was responsible for ensuring compliance with regulatory and quality-system protocols. Ms. Coppinger has 15+ years in the biomedical technology sector and has experience with Medical Device Reporting, GMP Regulations, and Medical Device Manufacturing. Ms. Coppinger has been a Six-Sigma Green Belt since 2006. Ms. Coppinger received a BS in Business Management from the University of Phoenix and is currently pursuing her MBA.

Columbia Tech, Coghlin Precision, Cogmedix and DCI Engineering Services are subsidiaries of Coghlin Companies, Inc., a family-owned company in its fourth generation of operation in Worcester, MA. Combined, the four companies turn innovative opportunities into commercially viable products. Columbia Tech, Coghlin Precision, Cogmedix and DCI provide a wide range of manufacturing, engineering, machining, welding, and fulfillment services to a diversified group of industries including: semiconductor, medical device, food service, storage, networking, alternative energy, security and military. Columbia Tech is ISO 9001:2000, ISO 13485:2003 and J-STD-001 Registered.
