Coghlin Companies among the top growth companies of Central Massachusetts

Worcester, MA—November 27, 2006— Columbia Tech and DCI Engineering Services, the manufacturing and engineering services subsidiaries of the Coghlin Companies, Inc. headquartered in Worcester, MA, have recently been named among the Top Growth Companies in Central Massachusetts. Over the past two years, the Coghlin Companies have grown its sales over 50% and its employees base from 160 to 280 people.

“The Coghlin Companies remain focused on providing cost effective manufacturing and engineering solutions to a variety of OEM’s in the capital equipment industry. We continue to focus on establishing relationships with companies who have burgeoning technologies and products where a high level of confidentiality, flexibility and robust quality, engineering and test services are required,” states Chris Coghlin, President of Columbia Tech.

“Massachusetts has a wonderful mix of technology driven start up companies and well-established large OEM’s that are seeking the specialty services offered by our company,” stated Chris. “Being headquartered in the ‘heart of the Commonwealth’ enables companies from all over Massachusetts and New England to conveniently engage on a regular basis which is an integral part to the success of new product launches.”

Columbia Tech and DCI Engineering Services are subsidiaries of Coghlin Companies, Inc., a family owned company in its fourth generation of operation in Worcester, MA. Combined, the two companies turn innovative opportunities into commercially viable products. Columbia Tech and DCI provide a wide range of manufacturing, engineering and fulfillment services to a diversified group of industries including; semiconductor, medical device, food service, storage, networking, alternative energy, security and military. Columbia Tech is ISO 9001:2000 and ISO 13485:2003 Registered.
