

Coghlin Companies to Hire Up To 150 Temporary and Full-Time Associates

Engineering and Manufacturing Service Provider Seeks Assembly, Quality, and Test Technicians to Support Growing Demand in Robotics, Medical, and Life Sciences Sectors

“We are excited to expand our team and are actively seeking motivated applicants with a positive attitude and strong work ethic to assist in the manufacturing of products in alignment with our concept to commercialization value proposition.”

WEST BOYLSTON, Mass., November 12, 2020 – Coghlin Companies announced an immediate hiring initiative focused on filling up to 150 new positions across its wholly-owned subsidiaries, Columbia Tech and Cogmedix.

Numerous Assembly, Quality and Test requisitions have been opened to fill important roles in support of growing product volumes and client demand associated with innovative robotics, life sciences, and medical programs. Substantial on-the-job training will be provided making this a very unique opportunity for job seekers to pursue a new career in high-tech.

“We are excited to expand our team and are actively seeking motivated applicants with a positive attitude and strong work ethic to assist in the manufacturing of products in alignment with our concept to commercialization value proposition,” explained Coghlin Companies President and CEO Chris Coghlin.

Coghlin Companies is a fourth-generation, family-owned business with passionate focus on teamwork, transparency, internal advancement and a positive culture. Associates will enjoy strong starting pay and health benefits as well as a supportive working environment with opportunities for career growth. Candidates should visit coghlincompanies.com/hireme or text **HIREME** to 72345 to apply.
